Tips for a great mentoring relationship

1. Treat all information as confidential.
2. Honor each other's time and schedule.
3. Bring pen and paper to capture valuable information.
4. Spouses are welcome to participate in program.

Duty of Mentor

- Schedule meeting times and places
- Ask mentee thoughtful questions
- Understand, clarify mentee's goals
- Review with Mentee your learnings, successes and failings
- Discuss value of a good support team – family, specialists, professionals
- Consider inviting Mentee to special events – tours, meetings etc.

Duty of Mentee

- Set agenda for meetings
- Set two objectives for each meeting
- Prepare for each meeting the day before
- Understand the Mentor's risk management philosophy and plan
